

Upon arrival:

- Coffee, tea and soft drinks must be available for 10 people upon arrival at the venue

Drinks:

20 Bottles of mineral water (0.5L)

Coca Cola (5 x 0,5L)

6 apple juice

6 chocomel (chocolate milk)

Fresh fruit and healthy snacks are always welcome!

Meal:

- A warm, healthy meal for 10 people or a dinner buy-out for 10 persons of at least 15 euros pp. needs to be between the sound check and show time (or at another time, in consultation with the tour management). 1 vegetarian meal (or fish) for 1 person is requested.

When the show ends after 11 pm there should be broodjes kroket for 10 people AFTER the show.

Dressing room:

- A tidy dressing room must be available at normal room temperature and heated in the winter. The dressing room must be lockable and be available from arrival to maximum 3 hours after the show. There should be 10 chairs, a mirror and clean towels provided. 1 water heater (kettle) must be available in the dressing room upon arrival.

Guest room:

- Twisted Sisters requires a "guest room" to meet their guests, separate from the dressing room.

Merchandise:

- There should be a sufficiently lighted space available for our merchandise. Preferably in the performance area or as close as possible to that area.

Get-in:

- The arrival of band and crew will be approximately 2,5 h before the end of the sound check. The exact hour of arrival you will be timely communicated by our tour management. Sound and light build-up have to be finished upon Get-in.

Parking:

- The organizer shall ensure that the loading and unloading of the material can happen as close as possible to the stage.

A responsible and sober technician of the venue must be present at arrival of the crew and is contactable/available for any technical questions up to the end of our show. To the extent possible, 2 stagehands should be available.

Passes and/or parking permits must be provided by the organizer

Parking space is provided for 1 van and 3 cars in the vicinity of the artists entrance from the arrival of band and crew to a minimum of 2 hours after the concert.

Any costs for this are for the organizer.

Security:

- The organization is responsible for the access to the dressing room and the backstage area. Only persons who are part of the organization, the band and crew may be admitted to these spaces. Any guests of the band will have a backstage pass (which they can obtain at the merchandise stand after the show). They only get access to the backstage or the dressing room after the show unless agreed otherwise and in agreement with our tour management.

The organization is also responsible for safety on the stage before and during the show. The organization sees to it that audience members at no time have access to the stage.

Contact:

- The tour management for Twisted Sisters is provided by JBM Events Live Department. For more information or questions regarding this tour or this rider please contact Barbara Provo.
